

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2026 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the Thirteenth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2026 will take place from June 2 to June 19, 2026. The venue will be [Casa Convalescència](#) in central Barcelona.

More detailed information on the Summer Forum 2026 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

INCOME DYNAMICS AND THE FAMILY

The workshop will run for 1.5 days and will take place on **June 17-18, 2026**, in Barcelona.

This is the eighth edition of the workshop, which serves as a forum for all aspects pertaining to family economics, combining macro and micro perspectives, as well as fostering a dialogue across methods. Over the last seven years the workshop featured programs that enabled the interaction of established high-profile researchers and young promising researchers. Past participants include Nezih Guner, Mariacristina De Nardi, Matthias Doepke, Gustavo Ventura, Eric French, Virginia Sanchez-Marcos, and many others.

Topics shall include income dynamics, within-household insurance mechanisms against individual income risk, household formation, family decision making, and related issues.

The deadline for submissions is **February 28, 2026**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April. Final programs will be on the web by the end of May.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of all workshops that will take place within the Summer Forum. You can submit so many papers as you wish to any workshop, but **the same paper cannot be submitted to more than one workshop**.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization **will not be able** to provide accommodation or travel support for speakers.

The workshop is partially funded by the University of Regensburg.

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program (CEX2024-001476-S), funded by the Agencia Estatal de Investigación (MICIU/AEI/10.13039/501100011033).
